

# Richard Rohlfing

## Lead Pastor

### A B O U T M E :

Richard has been the lead pastor of Faith Legacy Church since February, 2022. He loves the intergenerational and close-knit family community at FLC, as well as the long-standing vision and heart to love and serve our immediate neighborhood. He believes deeply in the power of the Holy Spirit to transform our individual and community life, and loves participating in and witnessing this work of renewal. Richard leads an incredible team of pastors. Together they seek to care for, counsel, and build up the church at Faith Legacy. On a given Sunday you will find Richard chasing his kids around church, preaching, or maybe even helping to lead worship. Richard loves road trips with his wife, Marci, reading books with his kids, wandering around in used book stores looking for treasures, writing music and poetry, and every so often, indulging in some form of golf (disc or traditional).

Nerdy stuff: Richard has a B.A. in History from the Hebrew University (Jerusalem, Israel); an M.A.T from Fuller, and a PhD in biblical studies from Durham University (U.K.). He has taught Hebrew and biblical studies at several universities and seminaries for more than a decade. He is a licensed minister in the Wesleyan Church.
